*If you haven't already please visit our website.* In the footer we have a link to a page dedicated to our reps. Please go to: [gatewaywoods.org/representatives](http://gatewaywoods.org/representatives)

## REP INSIDER

Thank you for partnering with us to spread the word about God's work at Gateway Woods. We want to remind you to look out for monthly correspondence "REP INSIDER" to help keep you informed and engaged all year long.

## CHURCH PRESENTATIONS

Church presentations are a vital part of keeping the body of Christ connected with the changes, challenges and opportunities within in the ministry of Gateway Woods. We understand that Covid has changed many protocols with Church and activities. We encourage each of you to assess what is the best way for us to connect with your congregation to update them. Whether that be through a more traditional way with a slide show or whether it is through virtual means, we want to find the best way to share updates with your Church.

## AUCTION

We are looking forward to the 2021 annual auction this summer on **Saturday, August 1st!** It's still a little early to know what this year's Auction will look like, but we know we'll still need you as a Rep to help communicate, recruit, and advocate for this event. We plan to wait until our May Auction Committee meeting to solidify whether we can get back to an in-person auction, repeat a virtual auction, or attempt some sort of hybrid. Feel free to reach out to any of the following contacts with your questions.

## WHAT WE DO

For 45 years Gateway Woods has been restoring hope to families through the following programs.

### RESIDENTIAL

Providing residential child care for abused, neglected or delinquent teens in a caring, Christian environment is at the heart of our campus.

### SCHOOL

Our on-campus accredited school offers students an exceptional education with the proper balance of nurture and structure.

### FOSTER CARE

Our highly trained and experienced staff offers specialized and therapeutic foster care through our deeply committed Christian foster families.

### ADOPTION

We provide Christian families with quality, affordable and family-focused services for both international and domestic adoptions. *(Serving both Indiana & Illinois)*

### LARC

The Linking to Attain Responsibility and Community (LARC) Program seeks to develop organic networks between past residents and people in the community.

### FARMS

Resident-turned-farmers are given job opportunities via agricultural avenues like raising poultry, planting seeds, selling through the Market and CSA baskets.

## SUMMER OPENINGS

### **Summer Volunteer Coordinator**

As the Summer Volunteer Coordinator, you have the unique opportunity to lead volunteers to accomplish different tasks around campus. Responsibilities include recruiting volunteers, planning tasks around campus, coordinating meals and lodging for volunteers, and setting up weekly Bible studies.

### **Summer Education Intern**

As the Summer Education Intern, you will help the teachers provide for the educational needs of the students who attend summer classes by supporting the teachers and carrying out additional tasks that further the students' education.

### **GW Farms Summer Intern**

As the GW Farms Summer Intern, you will help supervise farmers as needed, report farmer behavior to GW Farms Manager, and support the efficient and therapeutic operation of the farm.

## SUMMER VOLUNTEERING

Each summer, Gateway Woods is blessed with the many volunteers who willingly come and serve. Volunteering at Gateway Woods offers the opportunity to work hands-on for an outreach ministry that helps hurting children and their families. Some volunteer duties could include: maintenance, helping with childcare and assisting with campus projects. Please encourage those interested to fill out our volunteer application online at [gatewaywoods.org/supporters/volunteer](https://gatewaywoods.org/supporters/volunteer).
